Dear Families and Stakeholders of the School District of the Menomonie Area,

Today, April 27, 2016, an anonymous fax message was received by office personnel stating that a terrorist-related suicide bombing would occur at Menomonie Middle School at a particular time today. Due to the threat, the Menomonie Police Department was immediately contacted.

After consulting with the Menomonie Police Department, it was determined that the threat was not credible and the particular time specified in the message had already passed.

In an abundance of caution, office staff at all school district buildings were contacted and the school liaison officer was stationed at the middle school for the remainder of the school day. The Menomonie Police Department also provided additional security at other school buildings and the Dunn County Sheriff was notified as well.

Given the circumstances of this situation, the Menomonie Police Department and School District of the Menomonie Area do not believe that there is a threat to our schools or community at this time.

This incident remains under investigation by the Menomonie Police Department and anyone with information is asked to contact the MPD at 715-232-2198.

Sincerely,

Joe Zydowsky
District Administrator
School District of the Menomonie Area

Eric Atkinson
Chief of Police
Menomonie Police Department
